¹ Formulas are not Vinyl Safe-Vinyl Safe formulas will have to be requested and matched at Sherwin-Williams retail store if possible. Formulas are based on approximations to C.H.I. steel color samples. Actual color on doors may vary slightly and match should be tested on a small inconspicuous area for validation. ² All formulas, except white, can be reduced for quarts at Sherwin-Williams retail store. ³ Almond and Black were matched in gloss to provide the best color match to the C.H.I. painted steel specimen provided.
